TO DISCUSS PROBATION AND TRANSFORMATION

The continuing regeneration and transformation of the individual man and woman through spiritualization of thought and deed up to the spiritual goal, — conscious heavenly being, — is discussed in the Lesson-Sermon "Probation After Death" in the Church of Christ, Scientist, 1750 Manuel ave., on Sunday.

The thought that this transformation goes on both before and after death is a feature strongly stressed. An example of this is where Christ Jesus says to the Sadducees, "Now that the dead are raised, even Moses shewed the bush, when he calleth the Lord the God of Abraham, and the God of Isaac, and the God of Jacob, For he is not a God of the dead, but of the living: for all live unto him" (Luke 20:37, 38).

A work shop on evangelism will be one of several set up for the afternoon program. Sermon On 'The Law'

How to learn what your true possessions are and how to use them to the fullest will be the topic of Dr. Earl D. Barnum's Sunday sermon on this coming Sunday at the regular 11 a.m. services of the Redondo Beach Church of Religious Science.

This sermon is the final one in a series for the month of October dealing with "The Law." How we think determines how the law works for us, and in this series Dr. Barnum has attempted to make us aware of the law and how to use it constructively in its many facets and to help others to do so.

That new car you have just bought is not really your own! Nor do you own the garments you wear, nor the ring nor the watch you paid for so long. Your body — the garment of the soul — is not your to possess. You even give that up later on. Your true possessions are

ideas — experiences and lessons learned.

Tuesday evenings: 7:30. In the church classroom, the College Course, now in the 4th unit. This course is accredited.

Wednesday mornings: 10:30. Inspirational Hour. (There is a baby sitter.)

Thursday evening: 7:30-9:30. Dr. Barnum will present the third in a series of ten lectures on the basic fundamentals of religious science.
